

DISCO INFERNO

CELEBRATING THE DISCO ERA

Everybody, whether they admit it or not, loves disco. The 70's was an era that created a theme, that has yet to be rivaled when it comes to good times, dancing and funky grooves. That theme is what drives the vision of **Disco Inferno**.

Driven by a 7-piece powerhouse band, this is one of those parties that you "gear up for". Since 2005, **Disco Inferno** has been performing across the US as the premier live 70's disco show. Anyone planning a 70's themed disco party, or looking for that party idea that will knock the disco socks off of every attendee, has always been blown away by the bang for their disco dollar they get with Disco Inferno. Their dynamic, high-energy act has been enjoyed at a variety of events, ranging from theater, outdoor festivals, fairs, private celebrations, galas and country club affairs.

Disco Inferno is a high energy show from start to finish. Come see what everyone is talking about!
