THE DEFINITIVE EARTH WIND AND FIRE TRIBUTE

Created out of love for the Earth Wind And Fire music catalog, this 11-piece show weaves its way through all of the masterful hits of Earth Wind And Fire, including signature vocal parts, horn parts and of course, dance steps.

This amazing recreation of the band, the legends, the Rock and Roll Hall of Fame inductees, Earth Wind And Fire, is the closest and only production to embody the aura of the 1970's super group. The magic, the look, the vocals, the essence, the songs, the energy, the horns, and the spirit, are all captured by this amazing tribute.
